Great for Grades k - 2

This crate is based on the book *Brown Bear, Brown Bear, What Do You See?* (Oso pardo, Oso pardo, ¿qué ves ahí?). All the instructions and resource materials are in both Spanish and English. In addition to the readymade shadow puppets and screen, there are supplies and instructions to make your own shadow puppets and a historical overview power point on shadow puppetry. There is a booklet showing a typical day in a Chilean child's life, complete with pictures and dialogue. Teachers can choose to make connections back to the 'community' section of Division One Social Studies curriculum, or use the crate in their Language Arts, Art and Drama studies.

The crate contains:

- A set of ten durable shadow puppets
- Supplies for 30 students to create their own shadow puppets
- Resources for teachers: a full instruction guide, power point instructions and historical shadow puppet overview and more.
- Requires an overhead projector, LCD projector or a light source of some sort.
