**Public Service Announcement**

**For Immediate Release**                                                                 **February 10, 2016**

## Celebrate the first-ever Calgary Puppetry Day!

Calgary, Alberta – For the first time in Calgary, WP Puppet Theatre is hosting Calgary Puppetry Day, in conjunction with World Puppetry Day, with a day of fun, imagination and creativity for all ages.

This free event takes place:

        Monday, March 21

        10 AM to 4 PM

        Fort Calgary (750 9 Ave SE)

Drop by and make your own puppet to help create the world's longest chain of puppets! Bring your puppet to life in the event video. Enjoy special puppet guests and surprises throughout the day.  Explore, create and learn, all through the power of puppetry!

Calgary Puppetry Day is also a kick-off for the biennial conference, Puppet Power 2016 :: Connecting Generations, taking place this May 28 and 29, 2016. For more information on this conference, other events or WP Puppet Theatre, visit www.wppuppet.com
