

**Shadow Puppets Express Feelings**  
**(Aussi Disponible en Français)**  
**Great for Grades k - 2**

This crate provides students opportunities to explore the intriguing genre of shadow puppets. Teachers can choose from a variety of interactions and work at their own pace. The crate contains:

- A 2'x 3' professional rear projection screen and frame
- A set of ten durable shadow puppets
- Percussion instruments and music CD
- Dr Seuss's charming story My Many Coloured Days
- Supplies for 30 students to create their own shadow puppets
- Resources for teachers: a full instruction guide, power point instructions and historical shadow puppet overview and more.
- Requires an overhead projector, LCD projector or a light source of some sort.
